## TRUpour Announcement

I am delighted to announce that TRUpour Ltd has been acquired by Scotsman Beverage Systems, a leading supplier to the drinks dispense industry, effective as of 18<sup>th</sup> October 2007.

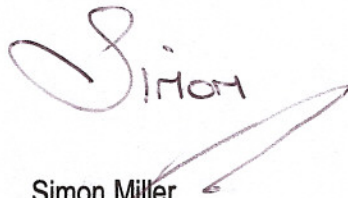

In recent years TRUpour and Scotsman Beverage Systems have both developed strong market positions in the European and Global Drinks Dispense Industry through a combination of continued investment and product innovation. In support of our mutual customer base, TRUpour and Scotsman Beverage Systems have forged a strong working relationship based upon the synergy of our product ranges and a common strategic direction.

Scotsman Beverage Systems activities in the drinks dispense sector are complementary to our own and the combination of our products, market experience, engineering design and supply chain capability will provide numerous opportunities to meet the varying needs and requirements of our customers.

I will be joining the Scotsman Beverage Systems Executive team with the prime responsibility of continuing to develop the TRUpour product range. In this role I will report directly to Andy Hume, Managing Director of Scotsman Beverage Systems.

Please continue to liaise with your normal contacts within TRUpour and Scotsman Beverage Systems regarding requirements or further information you may need.

Yours sincerely

Simon Miller  
Managing Director
